## Museum House 4th of July Hours

The Shell Rock Community Historical Society has opened the Shell Rock Historical Museum, located at 127 E Adair St. for its 4th season. Normal hours are 10 am to 2 pm each Sat. On **Sat., July 3 from 1 to 4 pm and Sun., July 5, from 2 to 5 pm.** The garage will be open for tours also at that time. The museum has two new exhibits this year. One of the bedrooms has been set up for a research library. All of the museum's book, histories, genealogy, pictures, records, school annuals, etc. have been moved to this location. The other bedroom has been turned into a 1920's era bedroom. This is the time frame for the house, so this should be interesting for visitors to see how the families lived in the house. Dress forms are being sought to use for exhibits. The small size would work best for the museum. If you have one & would be interested in donating it, or know of one available please call Linda at 885-6687. It is only with many volunteers & much assistance the museum continues to function without the need to charge an admission fee. The Historical Society will be selling popcorn & pop during the Shell Rock Fireworks as a fund raiser to raise money to continue work on the museum. If you can donate a 12-pack of Pepsi products, please drop it off on a Sat. or contact Rosemary 885-4551. Help is needed to work that evening, please contact Rosemary to volunteer. Schedule a tour by calling 319-885-HIST.
