Shell Rock Museum and Historical Society

The Shell Rock Museum will open on May 8 for its fourth season with two new exhibits. A library has been set up with old books, annuals, research books, family histories, genealogy information, the interviews on the WWII Veterans and much more. Come and see what we have and plan to spend some time here over the summer. If you are into genealogy, history or want to show your family old photos, now is their chance. The other exhibit will showcase a bedroom that might have been in the historical house in the 1920's when it was built. Hours are Sat. 10:00 am—2:00 pm through the summer and by appointments. Call 885-HIST to schedule a time. The museum will be open on Memorial Day, May 31st from 1:00 pm to 4:00 pm.

The Shell Rock Historical Society is considering putting together a calendar of Shell Rock pictures to sell as a fundraiser. If you have a picture taken of something in SR and would like to donate it, please send it to Shellrockhistory@yahoo.com. remember, we need higher resolution than normal as these will be blown up to about 8 X 10 inch size. Sending the photo gives the Historical Society the right to use it without expense to them. All photos will be credited photographer. More information will be coming
