A COMMUNITY UNITED IN GRATITUDE

*The Dave Lehman Avenue of the Flags Shed
A community project honoring our veterans and the volunteers who made it possible.*

The unveiling of the Dave Lehman Avenue of the Flags Shed during the July 1, 2026 dedication

The Riverside Cemetery Association and American Legion Post #393 extend their heartfelt gratitude to the many individuals, businesses, organizations, and volunteers whose generosity, hard work, and unwavering support made the Dave Lehman Avenue of the Flags Shed possible.

This project is more than a new building. It is the result of neighbors working side by side to preserve one of Shell Rock's most meaningful traditions—the Avenue of Flags.

On July 1, more than 100 community members gathered to dedicate the shed and recognize Dave Lehman for his decades of service. Earlier that evening, volunteers completed the Avenue of Flags setup in a record 20 minutes.

Every name listed represents someone who chose to give back. Thank you for helping preserve a tradition that will honor our veterans for generations to come.
