

SHELL ROCK, IOWA JULY 2024

Thank you to all the volunteers that helped put up and take down Avenue of Flags and those who helped with Memorial Day festivities –David Lehman

MAYOR’S MESSAGE—WHAT’S NEW

The street construction process will soon begin starting with new infrastructure in a few places. Then the Cherry Street railroad crossing will be fixed first and construction will move on to Main Street and finishing with Cherry Street. Hoping all work will be completed by the end of October. There will be traffic delays with this so please have patience.

The Beautification Committee maintains ongoing projects. If you have some spare time call City Hall and you will be contacted by a committee member.

With the 4th of July celebrations please be courteous to your neighbors in shooting fireworks and abide by the shooting hours.

We have had a couple of calls about trampolines lately because of wind. Remember Iowa State Law states the owner is responsible for all damage caused by flying trampolines. Call with any questions you may have and have a wonderful holiday!
