## **Shell Rock Museum News**

The Shell Rock Historical Society will open their museum for the 15th season on Saturday, June 18th, from noon to 3 pm. The Museum is located at 127 E. Adair St. in Shell Rock. The house, a 1920s Craftsman-style, was moved from the floodplain to this location. The house is listed on the National Register of Historic Places.

Since it is the museum's 15th year, some special prizes will be given away on opening day. People must attend to register but do not need to be present to win. The prizes are a membership to the SR Historical Society for the 2022 year, and a copy of 50 years of Swing Show History. Memberships and the book will be available for purchase.

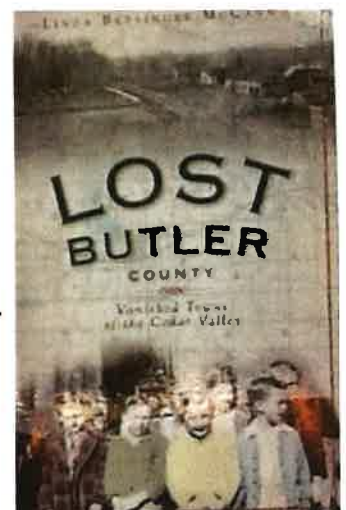

There are a small number of the 150th anniversary books, plates and bells still available for purchase. The book will not be reprinted, so get them now.

Also, other books on Shell Rock's history are available for purchase, as well as magnets, pictures, and other souvenirs. There are copies of old annuals and pictures available for purchase also.

The museum is about Shell Rock's history. All items were donated to the museum and have a connection to the town. Many people may find information on their grandparents or even great-grandparents. There will be all new displays for this year.

The museum will be open on the third Saturday of each month, through October, from noon to 3 pm. There is no admission charge and everyone is invited.

A copy of Lost Butler County Towns has been donated by the author, Linda Betsinger McCann, and will be given away as a door prize also. Linda will be attending the Opening Day festivities and will have copies of her books available for purchase.

4th of July T-Shirt pre-sales are underway. Please call/text Lindsey Schaedig 319-231-7697 to get shirts. A sample is available at City Hall for viewing, but all sales need to be placed with Lindsey.
