

Riverside Cemetery Association is beginning the process of reclaiming very old cemetery lots that have had no activity for 75 years or more. These old lots are small by today's standards and are not suitable for full burials. Such lots will be considered abandoned if the original owners or their rightful heirs do not provide legal evidence of ownership by December 31, 2027. For any questions, please contact Robyn Holden at 319-830-6422. See the official Public Notice which follows for more details:

You are hereby notified that Riverside Cemetery Association, of Shell Rock, Iowa, considers certain interment spaces identified in the Original, Adair and Knapp Additions S, T, E, and K as abandoned as of January 1, 2025, according to Iowa Code Section 5231.315. A complete list can be found at Shell Rock City Hall, Benny Gambaiani Library, or online at shellrockiowa.org. If the owner or the owner's heirs do not respond within three years from the date of this notice, then the abandonment of the space(s) will be considered complete, and the ownership or right to the space(s) shall revert to the Cemetery and the Cemetery may sell and convey title to the interment space(s). If you are the owner or the heir of the owner of the space(s), you must respond to the Riverside Cemetery Association in writing at Riverside Cemetery Association, PO Box 303, Shell Rock, IA 50670 before expiration of the three-year deadline described above, to protect your right to the space(s).
