## **Shell Rock First Responders COMMUNITY CPR CLASS**

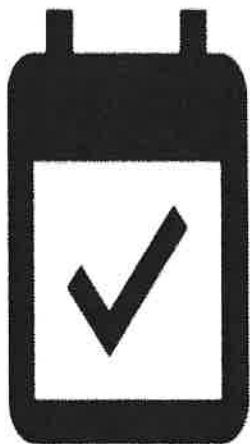

Come join us for a hands-on CPR class on Tuesday May 17, 2022 at 6PM at the Emergency Service Building. Have you ever wanted to learn CPR but were too scared or intimidated to take a class. Well, this is the class for you. We will teach you the basic skills needed to do life saving chest compressions. We will also teach you how to use a public access defibrillator (A.E.D.) to deliver life saving shock to the heart attack victim. This class will last about 1 ½ hours and the goal is to get you comfortable using these skills. Knowing these skills could save the life of a friend or family member. Please R.S.V.P. by Monday May 16<sup>th</sup> so we have an idea of the number of people to plan for but drop-ins are welcomed. Contact us at City Hall at 319-885-6555, Dave Green at 319-493-4043 or on facebook. Please note that no certification will be given with this class.
