The Shell Rock 4th of July Committee would like to extend a sincere thank you to our premier sponsors, Feldmeier Equipment, Roling Ford, Lodge Construction, Farm Bureau Vannordstrand Agency, CUSB, Reints Seed, The Cooler and Anker Electric along with all of our sponsors for helping to make the 4th of July 2024 celebration thrive and grow. This growth would not have been possible without their support. We would also like to thank Angie Mohn and Jen Averhoff for Sunday in the Park, Casey Reints and Sarah Kramer for organizing the Kiddie Parade, Levi Epley and Ryan Garbes for organizing the parade, the Reints Family for the stage, can collectors & peddle pull, Curt Lubben and the Shell Rock Hay Auction for providing the new side stage, Whitney Tidman for coordinating the food vendors, Michelle Wheeler for leading the kids zone, and Gabby Garbes for organizing the craft show. Additional thanks go to the Shell Rock Fire Dept, Butler County Sheriff, the City of Shell Rock, Mike Tellinghuisen, Jim Willson, Travis Gibson, Nate Wedeking, our spouses, and everyone that donated their time. As a committee, we put in a lot of volunteer hours to make the celebration possible and it is wonderful to have so much help and support along the way.

A special thank you to our new business owner, Ehren Marks. He is in the process of remodeling and opening The Iowa Prime House (formerly Riverview Café). The celebration was already planned with the changes of having a side stage on his property before he became the new owner and he was wonderful to work with. We were happy he was able to participate in the celebration with having his food truck and the bar open. Please let him know how much Shell Rock appreciates him supporting our long-standing tradition of having the best small town 4th of July celebration in Iowa!

Our final thank you is to the wonderful Shell Rock community for attending the celebration, attending our fundraisers, and being so supportive. We couldn't do it without you all! **Sincerely, Briley Miller, Lindsey Schaedig, Autumn Fails**
